INTRODUCTION

The Budget Hearing and Annual Meeting provide an opportunity for the public to vote on the proposed tax levy as recommended by the Board of Education and Administration. This Annual Report includes a detailed proposed budget for the 2013-14 fiscal year. This proposed budget represents the vision that the Board of Education, Administration and Staff have for the students in the School District of Poynette. The budgeted revenue and resulting expenditures are based upon the most reliable information available at this time. Thank you for your involvement in public education and your commitment to our community.

Matthew D. Shappell

District Administrator

VISION STATEMENT

Educating to prepare students for a changing world.

MISSION STATEMENT

The mission of the School District of Poynette is to provide an education that treats each person as an individual. We will instill within each student the love of learning, foster self-esteem and civic responsibility. Our educational program will impart the necessary skills to excel in a changing and progressing society.

EDUCATIONAL PHILOSOPHY

We believe that the residents of the School District of Poynette, through their elected Board of Education, have the responsibility of providing the best educational programs to meet the needs, interests, and potentials of all students in the school district.

We believe that the School District of Poynette should provide excellent administrative, instructional, and operational staffs and diversified learning environments.

Recognizing that the primary responsibility for children rests with their parents or guardians, the School District of Poynette creates, promotes, supports, and implements education programs that motivate students to:

- Develop a positive self-image.
- Understand, appreciate, respect and accept individual differences.
- Acquire skills, knowledge and processes necessary to succeed in a changing world.

We provide an excellent education program where students:

- Are prepared for further academic, occupational and technical learning.
- Understand the rights and responsibilities of citizens in local, state, national and world communities and are prepared to develop the skills for effective participation.
- Appreciate their own heritage, and understand and accept other cultures.
- Apply creative, constructive, critical and ethical thinking to personal, family and societal circumstances.
- Have developed a love for learning and strengthened their natural curiosity.
- Are prepared for success at using skills for responsible living and leisure.
- Strive for emotional and physical health.
- Understand their role as consumers and producers and how their actions affect natural resources and the environment.
- Experience and understand the aesthetic nature in expressive forms.
- Are prepared to use technological tools.

Notice for Annual District Meeting

(Section 120.08(1))

Notice is hereby given to qualified electors of the School District of Poynette, that the annual meeting of said district for the transaction of business, will be held in the Poynette Elementary/Middle School cafeteria on the ninth day of September, 2013 at 8:00 PM. Richard Wilkinson, District Clerk

SCHOOL DISTRICT OF POYNETTE ANNUAL MEETING AGENDA SEPTEMBER 9, 2013 8:00 P.M.

POYNETTE ELEMENTARY/MIDDLE SCHOOL CAFETERIA

The Mission of the School District of Poynette is to provide an education that treats each person as an individual. We will instill within each student the love of learning and foster self-esteem and civic responsibility.

Our educational program will impart the necessary skills to excel in a changing society.

- I. Call the meeting to order: Board President
- II. Elect a chairperson
- III. Reading of minutes of last annual meeting (reading may be waived on a motion).
- IV. Treasurer's Report and Audit Summary
- V. Review of School District Activities: Board Members and Administration
- VI. Consider Resolutions -- The Board of Education recommends the following:
 - 1. Length of School Year: continuation of 180 days
 - 2. Transportation of Students: approval of transportation policy

Student Transportation Management (Policy Statement):

- 1. Regular Bus Routes
 - a. In accordance with Chapters 121 and 340 of the Wisconsin Statutes, the following policies shall apply for transportation of students who reside in the school district.
 - 1. Village residents will be transported only if they reside in an area that has been designated hazardous for pedestrian traffic. Exceptions: 4-year-old preschool students residing more than ¼ mile from the assigned classroom location and kindergarten students who reside east of Highway 51 will be eligible for transportation.
 - 2. A bus pass may be purchased to allow a student that is otherwise not eligible for district transportation to be picked up and dropped off at designated points within the Villages of Arlington or Poynette. Payment for the entire school year must be received in full along with a transportation registration request. Refunds will not be allowed, even if students leave the district, move within the district, change

child care arrangements, or are removed from the bus due to disciplinary matters.

- Paid bus pass pickups and drop-offs will be allowed, as space is available, on existing routes and will be assigned on a first come-first served basis.
- 4. New residents to the Villages of Arlington and Poynette who are otherwise not eligible for district transportation may apply for transportation with a paid bus pass and be charged on a prorated basis.
- 5. The bus pass fee shall be reviewed on an annual basis and set prior to the start of the school year. Special exceptions may be granted by the transportation supervisor.
- b. Rural students living outside of the Villages of Arlington or Poynette will be eligible for transportation.
- c. A bus shall not travel on a private driveway for the transportation of students unless the driveway serves as a turnaround point on the bus route.
- d. The pick-up point and delivery point for each student who rides the bus shall be the same for each day of the week and be the home of the student, unless a request for a different pick-up or drop-off point is received by the transportation supervisor by July 1. If such a request is received, only one change will be allowed during the ensuing school year and that to the home of the student. Exceptions may be made by the transportation supervisor.
- e. When a road is temporarily hazardous or impassable because of existing conditions, as determined by the transportation supervisor, a student bus rider on that road may be required to temporarily change designated pick-up and drop-off points.
- f. The transportation supervisor and/or the building principal shall suspend a student's bus riding privilege for repeated misconduct while riding on the bus.
- g. The Board of Education shall, as needed, review the bus routes and any hazardous transportation needs of the school district.
- h. A student eligible to be transported by school bus may be required to walk up to 0.4 of a mile to a designated pick-up point or from a designated drop-off point.
 - 1. Exception: A kindergarten student eligible for bus transportation who is the oldest member of his/her family riding a bus shall be picked up at the driveway of his/her residence.

i. The distance between the student's residence and the school grounds shall be measured from the intersection of residences driveway and the public highway to the closest edge of the property of the child's attendance center, as traveled on a village street or public highway.

(Revised July 29, 2013)

District Wide Goals 2013-2014 School Year

Increase student achievement in measurable 21st Century Skills: Teamwork, collaboration, critical thinking and creative problem solving

Increase student literacy achievement, in all its forms: Reading, writing, mathematical, artistic

Create and maintain a systemic professional development model:

A systemic, systematic and sustainable approach to professional development

2012-13 DISTRICT-WIDE TEST SCORES

The District administered the Wisconsin Student Assessment System Knowledge and Concepts Examination (WKCE) as required by the state. Students in grades 3, 5, 6 and 7 were tested in math and reading. Students in grades 4, 8 and 10 were testing in reading, language arts, math, science and social studies. This test was administered in November of 2012. Results were available to the District in April 2013. The WKCE is one of many measures the District utilizes to measure student achievement. Other assessments including Measures of Academic Progress (MAP), Fountas and Pinnell Reading assessment, the Explore/Plan/(practice) ACT suite as well as teacher created tools are also applied to measure student progress.

From the Wisconsin Department of Public Instruction:

WKCE Reading and Mathematics Performance Levels:

- Advanced Students at this level demonstrate a comprehensive and in-depth understanding of rigorous subject matter and provide sophisticated solutions to complex problems.
- **Proficient** Students at this level demonstrate a solid understanding of challenging subject matter and solve a wide variety of problems.
- **Basic** Students at this level demonstrate partial mastery of prerequisite knowledge and skills that are fundamental for proficient work.
- Minimal Performance Students at this level demonstrate limited knowledge and skills in the subject matter and limited ability to apply knowledge and skills effectively.

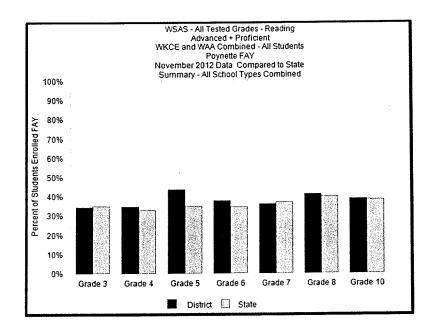

WKCE Science, Language Arts, Writing, and Social Studies Performance Levels:

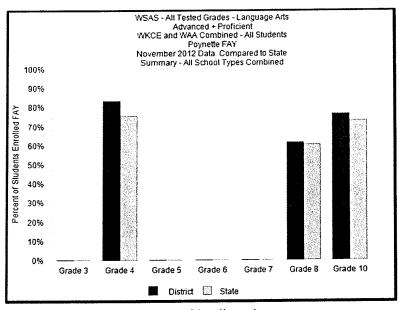

- Advanced Demonstrates in-depth understanding of academic knowledge and skills tested on WKCE for that grade level.
- **Proficient** Demonstrates competency in the academic knowledge and skills tested on WKCE for that grade level.
- Basic Demonstrates some academic knowledge and skills tested on WKCE for that grade level.
- Minimal Performance Demonstrates very limited academic knowledge and skills tested on WKCE for that grade level.

These performance level descriptions are intended to help parents, educators, and others understand what children who score at a given performance level on the WKCE are expected to know and be able to do at the time of testing. This information may be useful as one component of program planning and evaluation, but should be interpreted cautiously and in the context of other available information when applied to individual students.

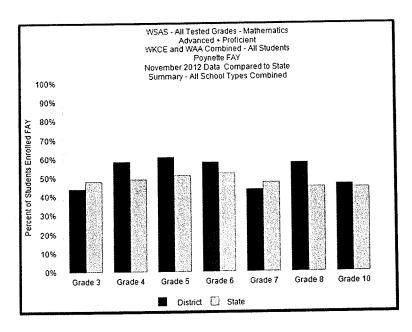

Beginning with the 2012-13 school year, Wisconsin established performance standards (cut scores) comparable to the National Assessment of Educational Progress (NAEP) cut scores for the WKCE reading and mathematics content areas in order to better align to the high expectations of the Common Core State Standards. These WKCE performance levels were revised to more closely align with national and international expectations of what is required to be college and career ready. Due to this change in cut scores, comparisons between 2012-13 performance levels and prior years' performance levels will no longer be appropriate for reading and mathematics. Language Arts, Science, and Social Studies performance standards were not revised so comparisons across time are still appropriate for these subject areas.

The Year in Review ...

Highlights from Our 2012-13 School Year

Sarah Neubert

Ben Froeba

4th Graders Receive AFS Visitors

Poynette High School foreign exchange students, Ben Froeba and Sarah Neubert, shared their German culture with inquisitive fourth graders in December.

The literacy theme was immigration so these talented presenters compared their school year to Poynette's school year. Also, on the topic of sports, soccer is the most popular sport in Germany, so the high school exchange students are learning about American sports and currently play on the basketball team.

Fourth graders also learned about currency, the variety of new foods and how transportation is often a bicycle in large cities in Germany. A most enjoyable learning session!

The Odd Couple: The Female Version!

The Poynette High School Drama Club performed Neil Simon's classic play "The Odd Couple: The Female Version" on March 2 and March 3 at Poynette Municipal Building.

The play chronicled the misadventures of recent divorcees, Florence Unger and Olive Madison, as they explored their new lives as single women. Beyond dealing with the woes of being single, their life as roommates created hilarious situations; Florence is painfully neat and tidy, while Olive is a slob by birth!

News from the Music Departments

Solo & Ensemble for band and choir (middle and high school students) was Saturday, February 23 at Lakeside Lutheran High School.

Middle and high school choral students participated in a choral clinic on Tuesday, March 12 and invited the public to their free concert at 6:00 p.m. in the high school gym.

The band clinic and concert was held on Thursday, March 14, at 7:00 p.m. in the 1-8 Gym. Guest Clinician, Dr. Andrew Mast from Lawrence University, in Appleton conducted the concert.

Opera For The Young "Cinderella"

Opera For The Young presented "Cinderella" on Thursday, February 14, at 1:30 p.m., in the Poynette Elementary Gym. Sixteen students were selected from fourth and fifth grade as members of the student chorus to play mice and nobles. They appeared onstage, performing alongside Opera for the Young's professional artists.

Opera for the Young brings live, professional opera to elementary school audiences. All productions are fully staged, sung in English and adapted especially for children. The public is always welcome to attend.

The 8th grade FCS Interior Design class studied what it takes to be an interior designer, styles of design, basic principles of design and then applied their knowledge to create their rooms. Their projects ranged from a bedroom, car garage, horse barn and a semi truck. There were 22 students involved in creating projects; this group is showing a small selection of their work. Featured in this picture are: Grace W., Kirsten P., Lily G., April D., Joey C., Wes S., Kayln H., Brandon G., McKenna H. The entire class did an excellent job on their projects.

Camp invention

Camp Invention is a summer STEM (Science, Technology, Engineering, and Math) program for students entering grades 1 through 6, all disguised as FUN!

The program was held again at Poynette and this year's curriculum incorporated a Geo-Quest theme, so there were brand new concepts to explore!

Back row: Matthew Fettkether, Tillie Petersen, Ava Wilkerson, Gabe Yelk, Coleman Thurston; front row: Mikayla Fox, Jaelyne White.

On April 11th, seven students in 5th and 6th grade traveled to Wautoma to participate in the Creative Arts Festival, with Mrs. Schmudlach, their Art Teacher. These students attended courses in music, visual arts and performing arts with schools from surrounding districts. At the end of the day, they showcased their work in the Wautoma Performing Arts Center.

Fourth Grade Readers Challenge Winners

Radical Readers Rock

The excitement of reading a book resonated in the third and fourth grade with a program through CESA 5 called Radical Readers. Students were challenged with reading Jeremy Thatcher, Dragon Hatcher by Bruce Coville over the course of a month. Then students wrote a review sharing their thoughts about the book.

As a culminating activity, using the distance learning lab at the high school, students discussed the book and then challenged other students in a jeopardy game demonstrating the understanding of the book. Mary Kennedy coordinated this event for Poynette.

Middle school students participated in the Wisconsin Mathematics Council Math Meet on March 8th competing against other Wisconsin middle school math teams across the state.

Congratulations to Logan Bahr and Kyle Mackey who were named to the 2013 All-state 1st team, and congratulations to Trey Klink, Chloe Schave, Casey Chadwick, and Brandon Gehrke who were named to the 2013 All-state 2nd team. Fantasic job on some awesome math problem solving!

Members of the high school math team also participated in the Wisconsin Mathematics Council 2013 State High School Math Contest. Congratulations to Ben Wadzinski who was named to the 2013 All-State 2nd Team for schools our size.

Yahara River Writer's Contest

Every year students of Dane County and surrounding areas submit writing pieces in the areas of poetry, short story, editorial, and cartoon for the Yahara River Writer's Contest. Usually over 150 pieces per grade per category are received.

It is quite an honor to be chosen for the Top 10, and this year, Valerie Lindquist, an eighth grader from Poynette is a winner in the short story category. Not only did she make Top 10, but she is also recognized for 2nd place, a HUGE honor. Valerie will get to attend a writer's workshop and award ceremony on May 15th at Union South on the UW-Madison campus.

2nd Grade Classes are Collecting Aluminum

Poynette 2nd grade classes want to remind you that they are still collecting pop tabs and any aluminum people are willing to collect and donate. All money earned from this collection will be given to Gio's Garden – a non-profit organization whose goal is to provide respite care for families with special needs children.

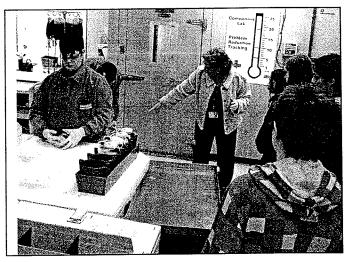

Items for collection can be brought to the school office and will be forwarded to the 2nd grade team. So far \$33 has been raised. The 2nd graders would like to meet or beat their last year's total of \$80.

Thank you for your help with this worthwhile project!

A Visit to the American Red Cross

The 8th grade CPR/First Aid class recently took a trip to the American Red Cross-Badger Chapter in Madison for a tour of the facility and learned about what the Red Cross has to offer. Students had the opportunity to go behind the scenes of the American Red Cross to learn how the donated blood and plasma is tested and stored.

ATTENTION DISTRICT FINANCE PERSONNEL: Please Read Below for important information regarding the debt levy. This summary page stoke payments due Anne Species dusbidies from ARRA Bonds. The calendary year TOTAL before subsidy (column highlighted) is what the district is legally obligated to LEVY each year. However, the district is permitted to ARLE the annual levy by any fund balance in the debt service account as of the 11/1 levy certification date.

If you are unsure which amount to budget or levy for debt payments, contact your primary Baird representative.
