

School District of Poynette Facebook Policy

The School District of Poynette's Facebook page is meant to share information and and spark conversation. We encourage visitors to share your comments and feedback. Please remember that the School District of Poynette is a public school district which means that students, staff and community members have access to this Facebook page. With that in mind, we review content posted here and will remove anything inappropriate, offensive, not pertaining directly to the District, or not beneficial to student learning. Please express your thoughts courteously. Thank you for joining the conversation.
